

Annual Vacation Entitlements

3 weeks per year after 12 consecutive months and 4 weeks per year after 10 consecutive years.

Averaging Agreements

A written agreement may be implemented if the employer and employee agree to average work hours over a period of one to four weeks for the purpose of determining overtime eligibility. Work weeks may also be compressed as part of these agreements. All such agreements require support of the majority of affected employees. Exceeding these requirements requires a variance issued by the executive director of employment standards.

Calculating Overtime

Overtime is calculated as the greater of any hour or part of an hour worked in excess of 40 hours in a week and eight or 10 hours per day, depending on the number of days worked per week.
